We are looking for the right dynamic personality to fill a multifaceted office position with eventual dive leadership responsibilities. Sea Saba Dive Center is located on the famous diving destination island of Saba in the Dutch Caribbean (28 miles from St. Maarten). The island offers great rainforest hiking, a small village and community appeal while attracting an eclectic international group of people.

What we are looking for:

- 20-30 year old diver who is passionate about the environment
- Minimum Rescue Diver certified or above
- Eager to learn or improve skills from administrative to event management, grant writing, customer service and visual merchandizing
- Person with excellent English writing and research skills (any additional languages are a plus)
- General office skills, proficient in all Microsoft Office programs
- Must be interested and willing to become Divemaster and Instructor certified
- Minimum 18 month contract
- You should have the financial means to pay a ticket to Saba and \$ 400 for a residence permit (valid for one year)
- Must be on Saba by September 30th

Preference will be given to persons with an undergraduate degree with a marine science/environmental background.

What can you expect from us:

- Extensive professional experience in profit and non-profit sectors
- Dive Training expenses paid by Sea Saba
- Basic accommodation provided
- \$ 800/month salary
- Free Diving on your days off
- 18 month minimum contract with options for renewal
- Great networking opportunities with world renowned scientists and dive professionals

Please be sure your message includes:

- One paragraph describing why you think you are the ideal candidate
- Name
- Where passport is issued
- Where you are presently located
- Expiration Date of your Passport
- Date of Birth
- # of dives in your lifetime
- level of certification & certifying agency
- Date you are available
- Photo—should be no more than 250 kb, please.
